

## INTRODUCTION TO TIGER SUBSEA LEVER HOISTS, SUBSEA CHAIN BLOCKS AND ROV CHAIN BLOCKS

Tiger Lifting (UK) products have been manufactured keeping in mind the usability from customers like you. From a research standpoint, all Tiger products have been tested through harsh conditions and exceed the minimum standards of safety by far. Here we give you a snapshot into the Tiger Subsea range that has caught on as a global solution for lifting under the severe environments of the ocean.
